| Q2 - July 1, 2026                                                                                                                                                                                                              |  | \$78.93                 |
| Q3 - October 1, 2026                                                                                                                                                                                                           |  | \$78.93                 |
| Q4 - January 1, 2027                                                                                                                                                                                                           |  | \$78.93                 |
| The one-time setup fee will not recur, and contingency funds (legal and reserve) may be lower in future years depending on what is used. As balances grow, reserve and legal funds will be held in interest-accruing accounts. |  |                         |
| <b>Payment transaction fees (per payment):</b> eCheck - \$2.49   Debit card - \$9.99   Credit card - 2.99%                                                                                                                     |  |                         |
| Tip: Pay your full annual amount in one payment to minimize transaction fees.                                                                                                                                                  |  |                         |
| Per Washington HOA law, this budget is considered ratified unless 50%+1 of voting members vote to reject it, regardless of whether a quorum is present.                                                                        |  |                         |
